### **SECTION – III**

#### **GENERAL CONDITIONS OF CONTRACT (GCC)**

##### **1. APPLICATION**

The General Conditions of Contract incorporated in this Contract prescribed under Section –III and Technical Specification under **Section- IV** of this document.

##### **2. USE OF CONTRACT DOCUMENTS AND INFORMATION**

1. The tenderer/bidder shall not, without the purchaser's prior written consent, disclose the contract or any provision thereof including any specification, drawing, sample or any information furnished by or on behalf of the purchaser in connection therewith, to any person other than the person(s) employed by the supplier in the performance of the contract emanating from this TE document. Further, any such disclosure to any such employed person shall be made in confidence and only so far as necessary for the purposes of such performance for this contract.
2. Further, the supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC **sub-clause 2.1** above except for the sole purpose of performing this contract.
3. Except the contract issued to the supplier, each and every other document mentioned in GCC **sub-clause 2.1** above shall remain the property of the purchaser and, if advised by the purchaser, all copies of all such contract documents shall be returned to the purchaser on completion of the tenderer's performance and obligations under this contract.

##### **3. PATENT RIGHTS**

The tenderer shall, at all times, indemnify and keep indemnified the purchaser, free of cost, against all claims, which may arise in respect of goods & services to be provided by the supplier under the contract for infringement of any intellectual property rights or any other right protected by patent, registration of designs or trademarks. In the event of any such claim in respect of alleged breach of patent, registered designs, trademarks etc. being made against the purchaser, the purchaser shall notify the supplier of the same and the

supplier shall, at his own expenses take care of the same for settlement without any liability to the purchaser.

#### **4. COUNTRY OF ORIGIN**

1. All goods and services to be supplied and provided for the contract shall have the origin in India or in the countries with which the Government of India has trade relations.
2. The word “origin” incorporated in this clause means the place from where the goods are manufactured, produced or processed or from where the services are arranged. The country of origin may be specified in the Price Schedule.
3. Any bidder from a country which shares land border with India will be eligible to the bid in this tender only if registered with competent authority  
Bidder has to undertake compliance to this.

#### **5. PERFORMANCE SECURITY**

The successful bidder shall furnish performance security to the purchaser(s) for an amount equal to Ten percent (10%) of the total value of the purchase order within 15 days of issue of supply order. It shall be in the form of Bank Guarantee issued by a Scheduled bank in India, in the prescribed form as provided in **Section- XIII** of this document. The validity of Bank Guarantee will be for a period up to Sixty (60) days beyond Warranty Period.

In the event of any failure/default of the tenderer with or without any quantifiable loss to the department, the amount of the performance security is liable to be forfeited. Subject to GCC **sub-clause 5.3** above, the purchaser will release the Performance Security without any interest to the supplier on completion of the tenderer's all contractual obligations including the warranty obligations.

Since CMC charges are to be paid later for each year during CMC period, applicable PBG shall be based on total price excluding CMC.

However during CMC period fresh PBG shall be submitted by tenderer which shall include total contract value including CMC. Payment of CMC shall be released only after production of fresh PBG.

#### **6. TECHNICAL SPECIFICATIONS AND STANDARDS**

The Goods & Services to be provided by the supplier under this contract shall conform to the technical specifications and quality control parameters mentioned in “Technical Specification” and “Quality Control Requirements” under **Sections-IV and VI** of this document.

#### **7. PACKING AND MARKING**

1. The packing for the goods to be provided by the tenderer should be strong and durable enough to withstand, without limitation, the entire journey during transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. As and if necessary, the size, weights and volumes of the packing cases shall also take into consideration, the remoteness of the final destination of the goods and availability or otherwise of transport and handling facilities at all points during transit up to final destination as per the contract.
2. The quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall strictly comply with the requirements as provided in Technical Specifications and Quality Control Requirements under **Sections-IV and VI** and in GCC under **Section-III**. In case the packing requirements are amended due to issue of any amendment to the contract, the same shall also be taken care of by the supplier accordingly.
3. **Packing instructions:**

Unless otherwise mentioned in the Technical Specification and Quality Control Requirements under **Sections -IV and VI**, the tenderer shall make separate packages for each consignee (in case there is more than one consignee mentioned in the contract) and mark each package on three sides with the following with indelible paint of proper quality:

- a. contract number and date
- b. brief description of goods including quantity
- c. packing list reference number
- d. country of origin of goods
- e. consignee's name and full address and
- f. supplier's name and address
- g. Govt. Supply – Not For Sale.

## **8. INSPECTION, TESTING AND QUALITY CONTROL**

1. The purchaser and/or its nominated representative(s) may without any extra cost to the purchaser, inspect and/or test the ordered goods and the related services to confirm their conformity to the contract specifications and other quality control details incorporated in the contract. The purchaser shall inform the tenderer in advance, in writing, the purchaser's programme for such inspection and, also the identity of the officials to be deputed for this purpose. The cost towards the transportation, boarding & lodging will be borne by the purchaser or as specified in the Technical specifications Section-IV.
2. The Technical Specification and Quality Control Requirements incorporated in the contract shall specify what inspections and tests are to be carried out and, also, where and how they are to be conducted. If such inspections and tests are conducted in the premises of the supplier or its subcontractor(s), all reasonable facilities and assistance, including access to relevant drawings, design details and production data, shall be furnished by the supplier to the purchaser's inspector at no charge to the purchaser.
3. The equipments shall be duly inspected by the concerned Head of the Department and the demonstration shall be given at HP, GDC, Shimla-1. If during such inspections and tests the contracted goods fail to conform to the required specifications and standards, the purchaser's inspector may reject them and the tenderer shall either replace the rejected goods or make all alterations necessary to meet the specifications and standards, as required, free of cost to the purchaser and resubmit the same to the purchaser's inspector for conducting the inspections and tests again.
4. In case the contract stipulates pre-dispatch inspection of the ordered goods at supplier's premises, the tenderer shall put up the goods for such inspection to the purchaser's inspector well ahead of the contractual delivery period, so that the purchaser's inspector is able to complete the inspection within the contractual delivery period.
5. If the tenderer tenders the goods to the purchaser's inspector for inspection at the last moment without providing reasonable time to the inspector for completing the inspection within the contractual delivery period, the inspector may carry out the inspection and complete the formality beyond the contractual delivery period at the risk and expense of the supplier. The fact that the goods have been inspected after the contractual delivery period will not have the effect of keeping the contract alive and this will be without any prejudice to the legal rights and remedies available to the purchaser under the terms & conditions of the contract.
6. The purchaser's/consignee's contractual right to inspect, test and, if necessary, reject the goods after the goods' arrival at the final destination shall have no bearing of the fact that the goods have previously been inspected and cleared by purchaser's inspector during pre-dispatch inspection mentioned above.

4. **The price quoted for CMC shall be paid on yearly basis after successful completion of said period duly certified by the user.**

## **22. DELAY IN THE SUPPLIER'S PERFORMANCE**

1. The supplier shall deliver the goods and perform the services under the contract within the time schedule specified by the purchaser and as incorporated in the contract.
2. Any unexcused delay by the supplier in maintaining its contractual obligations towards delivery of goods and performance of services shall render the supplier liable to the following actions:
  - (i) a penalty of 0.1% per week of the total value of the equipment/goods will be deducted up to a maximum of 10%. Thereafter , if extension for supply is not granted by the Purchaser, the

supply order(s) will automatically stand cancelled, Performance security will be forfeited and the tenderer may be debarred for future supplies for a period of three years(refer GCC clause 9)

3. If at any time during the currency of the contract, the supplier encounters conditions hindering timely delivery of the goods and performance of services, the supplier shall promptly inform the purchaser in writing about the same and its likely duration and make a request to the purchaser for extension of the delivery schedule accordingly. On receiving the supplier's communication, the purchaser shall examine the situation as soon as possible and, at its discretion, may agree to extend the delivery schedule, with or without liquidated damages for completion of supplier's contractual obligations by issuing an amendment to the contract.
4. When the period of delivery is extended due to unexcused delay by the supplier, the amendment letter extending the delivery period shall, inter-alia contain the following conditions:
  - (a) The purchaser shall recover from the supplier liquidated damages on the goods and services, which the Supplier has failed to deliver within the delivery period stipulated in the contract.
  - (b) That no increase in price on account of any ground, whatsoever, including any stipulation in the contract for increase in price on any other ground and, also including statutory increase in or fresh imposition of customs duty, GST or on account of any other tax specified in the contract, which takes place after the date of delivery stipulated in the contract shall be admissible on such of the said goods and services as are delivered and performed after the date of the delivery stipulated in the contract.
  - (c) But nevertheless, the purchaser shall be entitled to the benefit of any decrease in price on account of reduction in or remission of customs duty, GST or any other duty or tax or levy or on Account of any other grounds, which takes place after the expiry of the date of delivery stipulated in the contract.
5. The supplier shall not dispatch the goods after expiry of the delivery period. The supplier is required to apply to the purchaser for extension of delivery period and obtain the same before dispatch. In case the supplier dispatches the goods without obtaining an extension, it would be doing so at its own risk and no claim for payment for such supply and/or any other expense related to such supply shall lie against the purchaser.

### **23. LIQUIDATED DAMAGES**

1. Subject to **GCC clause-20**, if the successful bidder fails to deliver any or all of the goods or fails to perform the services within the time frame(s) incorporated in the contract, the purchaser shall, without prejudice to other rights and remedies available to the purchaser under the contract, deduct from the purchase price, as liquidated damages.

### **24. TERMINATION FOR DEFAULT**

1. The purchaser, without prejudice to any other contractual rights and remedies available to it (the purchaser), may, by written notice of default sent to the tenderer, terminate the contract in whole or in part, if the supplier fails to deliver any or all of the goods or fails to perform any other contractual obligation(s) within the time period specified in the contract, or within any extension thereof granted by the purchaser.
2. In the event of the purchaser terminates the contract in whole or in part, pursuant to **GCC sub-clause 22.1** above, the purchaser may procure goods and/or services similar to those cancelled, with such terms and conditions and in such manner as it deems fit and the supplier shall be liable to the purchaser for the extra expenditure, if any, incurred by the purchaser for arranging such procurement.
3. Unless otherwise instructed by the purchaser, the tenderer shall continue to perform the contract to the extent not terminated.

## **25. TERMINATION FOR INSOLVENCY**

If the supplier becomes bankrupt or otherwise insolvent, the purchaser reserves the right to terminate the contract at any time, by serving written notice to the supplier without any compensation, whatsoever, to the supplier, subject to further condition that such termination will not prejudice or affect the rights and remedies which have accrued and / or will accrue thereafter to the purchaser.

## **26. FORCE MAJEURE**

1. Notwithstanding the provisions contained in **GCC clauses-22, 23 and 24**, the supplier shall not be liable for imposition of any such sanction so long the delay and/or failure of the supplier in fulfilling its obligations under the contract is the result of an event of Force Majeure.
2. For purposes of this clause, Force Majeure means an event beyond the control of the supplier and not involving the supplier's fault or negligence and which is not foreseeable and not brought about at the instance of , the party claiming to be affected by such event and which has caused the non – performance or delay in performance. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
4. If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of Force Majeure for a period exceeding sixty days, either party may at its option terminate the contract without any financial repercussion on either side.
5. In case due to a Force Majeure event the purchaser is unable to fulfill its contractual commitment and responsibility, the purchaser will notify the supplier accordingly and subsequent actions taken on similar lines described in above sub-paragraphs.

## **27. TERMINATION FOR CONVENIENCE**

1. The purchaser reserves the right to terminate the contract, in whole or in part for its (purchaser's) convenience, by serving written notice on the supplier at any time during the currency of the contract. The notice shall specify that the termination is for the convenience of the purchaser. The notice shall also indicate inter alia, the extent to which the supplier's performance under the contract is terminated, and the date with effect from which such termination will become effective.
2. The goods and services which are complete and ready in terms of the contract for delivery and performance within thirty days after the supplier's receipt of the notice of termination shall be accepted by the purchaser following the contract terms, conditions and prices. For the remaining goods and services, the purchaser may decide:
  - a) to get any portion of the balance completed and delivered at the contract terms, conditions and prices; and / or
  - b) to cancel the remaining portion of the goods and services and compensate the supplier by paying an agreed amount for the cost incurred by the supplier towards the remaining portion of the goods and services.
